

Using the Tririga Locate Application

Review floor plans quickly via [Locate](#), a mobile-friendly way to see people's locations. Available to space managers and additional selected staff as of Fall 2022. For access, contact rmpfeedback@ucsd.edu.

To Locate a Person

Type a name to find a person's location and contact information. If a person is assigned a location in Tririga, then the contact information is provided from the Employee Activity Hub (EAH) Student Activity Hub (SAH), or the Affiliates Table.

The screenshot displays the UCSD Locate application interface. At the top, the title "UCSD Locate" is visible. Below it, the "Locate Person" section features a search bar with the placeholder text "Search by a person's name", which is circled in red. Below the search bar, the profile of Sung Bum Lee is shown, including a profile picture, name, title "Campus Planning", address "Campus Services Complex - Building C, La Jolla, California, The United States of America", phone number "818-397-5134", email "cp8student@ucsd.edu", and location "First Floor | 123". Below the profile, there are tabs for "Location", "Key Rooms", and "Floor Directory". The "Floor Directory" tab is active, showing a detailed floor plan of the building. A red circle highlights the location of Sung Bum Lee in room 123 on the first floor. The floor plan includes various rooms such as "Office Service", "Hotel", "Administrative Office", and "Unassigned Room".
